To apply: Contact Teresa Mynatt, Personnel Office, Alumni Hall, Room 211.

ISD *POTPOURRI*:

From the PRESCHOOL Department:

Thank you to parents and students who attended the Parent and Student meeting at Showbiz Pizza on January 22nd. We had a large attendance with lots of Recreation & FUN!! The next meeting is scheduled for February 20th.

From the ELEMENTARY Department:

Dr. Linda Hargrove, the Learning Disabilities Advisor to ISD, will give the first of several two hour inservices to all Elementary staff on Monday, February 5.

Allyson Pearl, the Reading Coordinator, will give an inservice to Elementary staff on reading achievement test skills on Tuesday, February 6.

Laura Gaalema, Sue Jones, Becki Philhower, Joyce Levy, and Laurene Gallimore will take their classes to Pizza Hut this week for the reading incentive program Book It! sponsored by Pizza Hut.

Nancy Slasor, Human Sexuality Coordinator, will present an inservice to Elementary teachers in the Human Sexuality pilot program on Tuesday, February 13th, as part of the on-going program.

On the afternoon of February 14th, all Elementary staff and students will go roller skating at United Skates in Southern Plaza, as part of the Physical Education program with David Catt. Parents are welcome to join us at Southern Plaza for a fun filled afternoon!!

From the MIDDLE SCHOOL Department:

There are "secret" cupids appearing in the Middle School Department. These little cupids have been seen "targeting in" on the teaching staff with Valentine appreciation.

Carol Kellers class of cupids are presently making Valentines to send to the Veterans Hospital in Indianapolis.

From the desk of Louise Fitzpatrick: Fourteen 6th and 8th grade students are planning an exciting program this semester entitled "Indiana Deaf Way." They will share their Culture with hearing students across Indianapolis. The students will be performing "skits" which will portray Deaf Culture such as; Deaf folklore, Deaf sports, Deaf arts, Deaf history, Deaf humor, and American Sign Language.

The students will take books on American Sign Language and Deaf Culture to the schools and give them to hearing students to read. They hope the hearing students will come back to ISD to return the books and tour the School.

The Indianapolis Deaf Way Group already has a full schedule for the month of February. Their first program is on February 8th, to a perform for a group of Pendleton Middle School students.

From the HIGH SCHOOL Department:

Science Teacher Teresa Huckleberry was nominated by the Department of Education as one of Indiana's six best math or science teachers. This nomination entitles her to be involved in a teacher research program at the Brookhaven National Laboratory in Long Island, New York this summer for eight weeks.

The Department of Energy has several national laboratories across the country that participate in this teacher research program. The program offers outstanding teachers the opportunity to be involved in research that is currently being done by scientists in their laboratories.

Not only will this be a wonderful learning opportunity for Teresa, but also for ISD Science students. ***Congratulations Teresa!!***

Upcoming Event: The Student Council will be having a Valentines Day Dance on February 14th from 7:30 to 9:30 in the Co-Ed Lounge. (High School Only) Watch for upcoming announcements!!

From the VOCATIONAL Department:

The Foods Classes will have a bake sale in the Vocational Building on Wednesday, February 7th, starting at 8:00 a.m., and continuing until all food is sold!

Ms. Vickie Overley, from the Department of Financial Institutions, will be on campus to make a presentation <u>to all seniors</u> on Monday, February 19, 1990. This meeting will be held in the auditorium from 2:00 to 3:00.

Vocational Education Week will be February 12th thru the 16th. We are planning tours of the department and an open house on Friday afternoon (16th) for all parents, teachers, and former ISD students. We are encouraging parents, teachers, and former ISD students to participate in displays of arts and crafts. For more information contact Chuck Walker, Vocational, Dept. 157.

ALL I EVER REALLY NEEDED TO KNOW

I LEARNED IN KINDERGARTEN

Most of what I really need to know about how to live, and what to do, and how to be, I learned in kindergarten. Wisdom was not at the top of the graduate school mountain, but there in the sand-box at nursery school.

These are the things I learned: Share everything. Play fair. Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Wash your hands before you eat. Flush. Warm cookies and cold milk are good for you. Live a balanced life. Learn some and think some and draw and paint and sing and dance and play and work every day some.

Take a nap every afternoon. When you go out into the world, watch for traffic, hold hands, and stick together. Be aware of wonder. Remember the little seed in the plastic cup. The roots go down and the plant goes up and nobody really knows how or why, but we are all like that.

Goldfish and hamsters and white mice and even the little seed in the plastic cup - they all die. So do we.

And then remember the book about Dick and Jane and the first word you learned, the biggest word of all: LOOK. Everything you need to know is in there somewhere. The Golden Rule and love and basic sanitation, ecology and politics and sane living.

Think of what a better world it would be if we all - the whole world - had cookies and milk about 3 o'clock every afternoon and then lay down with our blankets for a nap. Or if we had a basic policy in our nation and other nations to always put things back where we found them and clean up our own messes. And it is still true, no matter how old you are, when you go out into the world, it is best to hold hands and stick together.

by Robert Fulghum
